The word 'Pancious' as an acronym from Pancake means delicious. It is chosen since the restaurant focused on pancake. Located in South Jakarta, this restaurant adapts the concept of family recipe. The minimalist interior design is decorated with black, white and red colored walls. Cozy sofas and chandeliers in each table giving a home like feeling to this restaurant. One of Pancious recommended creations is Black Forest Pancake, contains of 2 stacked pancakes: classic pancake and waffles shaped pancake topped with cold vanilla ice cream, and served with chocolate sauce and cherries. While you're in Pancious, don't forget to try Fresh Fruit Iced Tea Cocktail, as the favorite drink menu. Made from fresh fruits combination and served in a special glass will definitely gives fresh sensation in your mouth. Its yellow color syrup is made from

mango extract mixed with orange and tea. Inside it, you will find dices of fresh kiwis, strawberries, and apples. Another must taste menu is Grilled Baby Potato that makes your tongue begging for more.
