## 5 FUN IN THE KITCHEN – SWEET SECRETS

ON FRIDAY, MAY 15, SWEETS FLAVORED THE AIR OF PACIFIC PLACE as the day's event "Fun in the Kitchen" boasted the theme "Sweet Secrets." Hosted by VJ Daniel Mananta, the cooking demo featured Chef Jacqueline Bastiaan from Cafe Sweets, who demonstrated her skills in creating attractive-looking sweets and desserts. And the most fun part, everyone with a sweet tooth, who was present at Pacific Bay, got a chance to taste all the sweets specially made for the event.

## 6 FUNTASTIC PANCAKES

WHAT WOULD BE MORE FUN FOR KIDS THAN PLAYING chef? For one day, children were allowed to decorate pancakes as they wanted. To top things off, the most creative of all could bring home a Pancious Pancake House voucher worth IDR 200,000 and free tickets to Kidzania. No wonder kids were enthusiastically flocking to Pacific Bay every Sunday in May to demonstrate their creativity and to have fun decorating pancakes.
