

ATTENTION PAN FANS

Pancious, Jakarta's best known speciality pancake restaurant, has just opened two

new outlets. The locally owned eatery has now set up shop in Kelapa Gading Mall and in Taman Anggrek Mall. These two new outlets should ensure that pancake fever spreads to North and West Jakarta. Check out the new Pancious branches or the chain's three other existing outlets which you'll find in Permata Hijau, Pacific Place and Plaza Indonesia.
