

PANCIOUS TEAMS UP WITH MICROSOFT

If you're one of those industrious souls who likes nothing better than to boot up the old laptop in a cosy restaurant, then good news is here. Pancious Pancake House and Microsoft have teamed up in order to offer cyber savvy diners a very special deal this month. For a minimum order of Rp.200,000, Pancious will be giving away a free pancake and topping to anyone who can show that they own a Microsoft mouse. There'll also be a photo competition at the Microsoft booth in every Pancious outlet and total prizes of up to Rp.10 million are up for grabs. *(Pancious stores can be found at Permata Hijau, Pacific Place Mall, Plaza Indonesia, Kelapa Gading Mall 5 and Taman Anggrek Mall. Visit: www.pancious.com for more information)*
