

## PANCIOUS

# YOUR PRECIOUS Pancakes

Stealing the hearts of many foodies for four years now, Pancious has become a must-visit destination! Having, what we think, the best pancakes and waffles in town, they always come up with something new. Recently, they launched full-course menus of appetizer, main course to dessert.

While browsing their menu proves that there are too many things you'd crave for one dine sitting, we have few recommendations! Start with Nachos with Beef Bacon, or the uniquely tasty Seafood Salad. Moving on to their main course, if you have no personal favorite at Pancious, we suggest you try Grilled Sausage with Hash Browns, or Salmon Pesto and Spaghetti with Beef and Red Wine Sauce.

It's no secret that desserts have always been their strong point. Thin crispy wheat crepes are their new addition in the dessert department. Pancious' signature Crepes Cake has 20 layers of crepe with soft texture and sweet taste. Top that with refreshing fruits or sweets and you're good to go! Also, don't forget to taste their special *Orange Suzette Crepes Cake* that's both sweet and refreshing in flavor.
